

Another  
Yuritopia

I got  
through my  
midterms with  
the help of  
Yuna-san and  
Ano-san...

It's summer  
vacation.

Watch  
out for  
heatstroke.

Okay,  
we'll get  
everything  
ready for  
the school  
festival as  
soon as  
break's  
over!

Ugh...  
So hot...

*Mako-chan lives nearby,  
so in middle school we'd  
spend almost every day on  
summer breaks doing  
homework and stuff  
together...*

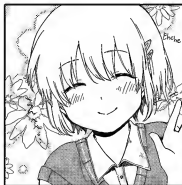

Oh!  
Okay!

Shiina-saaaan!  
It's starting to  
look like rain,  
so let's call it  
a day!

Hyaaa~!  
Wh-  
What  
do I  
do?!

Huh?  
But what  
about you...

**YUNA-  
NEE!!**

Use this,  
then.

*pass*

Hina-chan...

I'll share  
Hina's  
umbrella.

Shiori,  
Mako said  
she forgot  
hers too.

...and  
Mako-chan?!!

You  
done  
with  
comp  
stud?!

Mn.

And

We studied  
for midterms  
together,  
too!

We're  
getting  
ready for  
the school  
festival  
together...

I see...

Hina's  
a good kid...  
I'm glad  
you two are  
friends.

Maybe we  
can make up  
like this...

I'm so glad...  
We're having  
a normal  
conversation.

Mako-chan,  
listen!!

Clench

Yes?!

We're  
here.

*Isn't  
that  
right?*

Shiori.

I...  
I said  
it!!

Oh...  
you're  
right.

You're  
soaked!

Mako-chan,  
your  
shoulder...!

But I  
really do  
love you.

We can't  
go back  
to being  
friends.

*Squeeze*

Mako-  
chan...

She  
still loves  
me...

What  
do I do...  
That makes  
me happy...

She  
confessed  
to me

again...

I'm sorry...  
I'm sorry.

I spent the whole second half of break thinking about Mako-chan.

The opening ceremony was hot, too.

You okay, Shiori-chan?  
Is it heartstroke?

N-No!

Well  
we've got  
the paint  
and the  
plywood...

Yeah!

Let's  
get to  
work!

...Did you  
finish your  
homework?

You are  
the student  
council  
president.

S...  
Somehow.

I needed  
some help by  
the end

How was  
your break,  
Maki-chan?

It was  
hard work!  
I was working  
with the school  
festival planning  
committee the  
whole time.

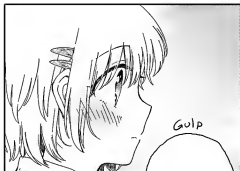

Yoly

Gulp

It's so  
scary

trying to  
tell someone  
your feelings...

Maki-chan  
really is  
amazing...

I really  
do love  
you.

So I...

But  
Mako-chan  
told me she  
loves me.

It's scary,  
but...

I think  
it'd be way  
worse

If I kept  
my feelings  
to myself.

Good work  
at practice!

Let  
me  
help?

Shiori!

You  
waited for  
me to be done  
with practice...  
What did you  
need?

That's  
right

Mm.

Got it

RASS

Could  
you give this  
umbrella back to  
Yuna-san?

The one I  
borrowed  
before.

Wow...

A lot  
of stuff  
happened  
that day...

?

BUST

Uhh...  
well, umm...

Bazump In

...Did you  
make up with  
Mako?

It's not weird.

I'm going out with another girl too.

So this time...

It's so scary  
trying to tell  
someone your  
feelings...

It's my turn  
to tell her  
how I feel...

But  
Mako-chan  
told me she  
loves me.

Don't  
worry about  
that both  
girls stuff

and just  
tell Mako  
what you  
told me.
